## **BC VACCINE PASSPORT UPDATE**

By order of the Provincial Health Officer, “Gyms, exercise facilities/studios, pools and recreation facilities are required to check a person's proof of vaccination for access to their venue or space. This applies to all people born in 2009 or earlier (age 12+). “

Starting on September 13, 2021, Richmond Sports and Fitness must verify that all patrons have at least one dose of a COVID-19 vaccine. By October 24<sup>th</sup> we must verify that all patrons entering RSF are fully vaccinated. As per the Provincial Health Officer; there are no exceptions to this passport and therefore we must abide by this rule.

If you are a member with RSF, we will only be verifying on your first visit starting on September 13<sup>th</sup> if you provide us with consent to record your proof of vaccination. We will NOT be notating any personal information, QR code numbers, or any other vaccine information. We will simply be notating whether you have had 1 or 2 doses. At any time you may withdraw your consent and we will subsequently remove your record. If you do not wish to provide consent or have removed your consent, we will require that you show your vaccination proof every time you enter RSF. Please ensure you arrive with either your BC Vaccine card/QR code, immunization card, or My Health Gateway record, as well as Photo ID for those aged 19 and over. After September 27<sup>th</sup>; we are only permitted to accept a BC Vaccine Passport.

All drop-in patrons and Personal Training clients will be required to bring Vaccination proof for every visit. We will not keep any record of vaccination for these services.

If you are not vaccinated and want information on your individual membership options; please call us at 604-276-2295 or email [rsfgym@gmail.com](mailto:rsfgym@gmail.com). Please provide your full legal name and phone number. Management is solely dealing with these inquiries so please allow up to 72 hours on business days for a callback. We appreciate your patience. Our SOCIAL MEDIA PLATFORMS WILL NOT be monitored for membership inquiries.

We understand that these are unprecedented times and that many people have varying opinions on the Vaccine Passport Program. Whether you agree or disagree; this mandate has been put in place that many businesses must follow to remain open. PLEASE DO NOT harass our staff or take out any frustration on our business. We encourage everyone who is upset about this program to reach out to your local MPs and Elected Officials.

We thank everyone for their understanding and kindness.
